**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I depend on broadband internet for my work. It is important that there is competition in order to get the best services that are cost effective. I previously had DSL and cable but they were expensive for mediocre services. Now I have fiber optic that performs well at a competitive price.
